

# Academic Calendar

Please note that downloading either the .pdf or .ics file for Apple Calendar (iCal) produces a static version of the calendar current as of the download date and time. We recommend downloading (overwriting) these files periodically to ensure consistency with the items and dates listed below. For this purpose, the web page version of the Academic Calendar will act as the official University Academic Calendar.

*The University reserves the right to correct typographical errors or to adjust the Academic Calendar at any time it deems necessary.*
